Case NO 06-1241

11-1-06

Honorable Judge Kollar-Kotelly

Your honorable judge I have written to the courts several times for assistance. I have not gotten any response from the court. I have asked the court wheter they could appoint me a court appointed Attorney. If not maybe they could provide me with information on attaining some free legal assistance in the case. I wish to be represented by A litigation Attorney. I am presently unable to afford an attorney in the matter. Please advise me of any options that may be able to assist me in the civil matter.

Sincerely yours
Raymond Jackson
